Circular No.: 01/2026

Issuance Date: 07/01/2026

Effective Date: 07/01/2026

Amendment of Module Three – Membership, Trading, and Derivatives Rules related to Omnibus Accounts

Dubai Financial Market (DFM) hereby issues, pursuant to this Circular, an amendment to the Omnibus Account Rules.

This amendment has been incorporated under Article 11.4 (a)(i)(E) of Module Three – Membership, Trading, and Derivatives Rules.

This circular shall enter into force as of (07/01/2026).

For further details on Module Three – Membership, Trading, and Derivatives Rules, please click here.

The following Articles will be amended to the table shown below:

Market Rules	Article No.	Article before Amendment	Article After Amendment
Membership, Trading and Derivatives Rules	Article 11.4 (a)(i)(E)	(E) capability of sending Orders to the Market with the Unique Client Code (UCC) assigned to the Investor in Omnibus Account as reference in addition to the trading account of the Omnibus Account;	(E) capability of the system to manage and report executed orders and trades in the Omnibus Account by using the Unique Client Code (UCC) assigned to the Investor in the Omnibus Account, as part of the reports submitted to the Market;
