## **1. GENERAL PROVISIONS**

### **1.1 Scope of application**

This Part applies to every Issuer intending to list Securities on the Market.

### **1.2 Introduction and purpose**

- (a) This Module contains the Market's Rules on:
  - (i) the listing of Securities on the Market, including the pre-listing conditions and post-listing obligations that apply to the different categories of Issuer; and
  - (ii) the Market's review and approval process for listing applications; and
  - (iii) the suspension from trading, delisting on the Market; and
  - (iv) other provisions.
- (b) The purpose of this Module is to set out the Listing Rules that must be complied with by Applicants, Issuers or other persons to whom these Listing Rules relate.
- (c) Failure to comply with any of these Listing Rules will amount to a breach, in respect of which remedial action may be taken, and penalties may be imposed on those in breach.
- (d) The Market's Rules apply in addition to the provisions of Authority Decision No. (12) of 2000 concerning the Regulations as to the Listing of Securities and Commodities, as amended from time to time.

### **1.3 Interpretation**

Terms used in these Rules have the meanings specified in the Glossary Rules approved by the Market.

### **1.4 Listing requirements**

An Issuer that intends to list its Securities on the Market shall in addition to the requirements set out in this Part comply with the relevant listing requirements set out in the following Parts:

- (a) Part 2: Shares, excluding Shares issued in accordance with Part 7 and Shares issued in accordance with Part 8; and
- (b) Part 3: Depository Receipts; and
- (c) Part 4: Debt Securities and Sukuk; and
- (d) Part 5: Units; and
- (e) Part 6: Covered Warrants; and
- (f) Part 7: Shares and Warrants issued by a SPAC; and
- (g) Part 8: Shares issued by a Cooperative Association.

### **1.5 Listing categories**

- (a) Subject to paragraph (g), Shares shall be listed:

- (i) in the case of a Private Company, on the Private Market; or
- (ii) in the case of all other Issuers, on the Main Market as either a Category 1 listing or a Category 2 listing,

in accordance with the requirements set out in Part 2.

- (b) Depository Receipts shall be listed on the Depository Receipt segment of the Market in accordance with the requirements set out in Part 3.

- (c) Debt Securities and Sukuk shall be listed:

- (i) in the case of Government-issued Debt Securities and Sukuk, on the segment of the Market for Government Issuer Debt Securities and Sukuk; or
- (ii) in the case of all other Issuers, on the segment of the Market for retail Debt Securities and Sukuk,

in accordance with the requirements set out in Part 4.

- (d) Units shall be listed on the Units segment of the Market in accordance with the requirements set out in Part 5.

- (e) Covered Warrants shall be listed on the Covered Warrants segment of the Market in accordance with the requirements set out in Part 6.

- (f) Warrants issued by SPACs shall be listed on the Warrants segment of the Market in accordance with the requirements set out in Part 7.

- (g) Shares issued by Cooperative Associations shall be listed on the segment of the Market for Shares of Cooperative Associations in accordance with the requirements set out in Part 8. These Listing Rules shall apply to Shares of the Cooperative Association.

## **1.6 Listing application process**

- (a) An entity that wishes to list its Securities on the Market shall submit an application for listing to the Market using the prescribed form issued by the Market, including the information and documentation set out in the following Parts:

- (i) Part 2: Shares, excluding Shares issued in accordance with Part 7; and
- (ii) Part 3: Depository Receipts; and
- (iii) Part 4: Debt Securities and Sukuk; and
- (iv) Part 5: Units; and
- (v) Part 6: Covered Warrants; and
- (vi) Part 7: Shares and Warrants issued by a SPAC; and
- (vii) Part 8: Shares issued by a Cooperative Association.

- (b) An application for listing shall be in the form specified by the Market and shall include such information and be accompanied by such documents as the Market may require.
- (c) The Market may impose different requirements and may vary or waive requirements in particular cases.
- (d) The application shall be signed by the chairman (or equivalent officeholder) of the Applicant, or a member of the Issuer's Senior Management authorized by such officer.

#### **1.7 Liability for application and indemnity**

- (a) The board of directors or equivalent body of the Applicant shall be liable for the accuracy of the information included in the listing application and related documentation submitted to the Market.
- (b) The Market's review shall not be deemed an acknowledgement that the contents of the application and the related documentation are accurate.
- (c) Where the Market publishes, releases or disseminates any statement, information or document for or on behalf of an Applicant or Issuer pursuant to these Listing Rules or otherwise, the Market will not be responsible for checking the accuracy, completeness or adequacy of any of the contents of such statement, information or document, and will not be liable for any loss or damage howsoever arising as a result of publishing, releasing or disseminating the statement, information or document.
- (d) An Applicant and an Issuer fully indemnify and hold indemnified the Market against any loss, damage, liability, cost or expense (including legal costs) suffered or incurred by the Market, whether directly or indirectly, as a result of any demand, action or proceeding by any person for, on account of, or in respect of the publication, release or dissemination by the Market of any such statement, information or document for or on behalf of an Applicant or Issuer.

#### **1.8 Market's assessment of the application for listing**

- (a) The Market shall acknowledge receipt of the application within two (2) Business Days of receiving an application for listing. The Market shall notify the Applicant on its determination as to whether the application is deemed complete or incomplete as soon as reasonably possible.
- (b) The Market shall determine whether to approve the application or refuse the application within thirty (30) days of receiving an application that it deems complete.
- (c) The Market may at any time during its assessment period request that the Applicant provide any additional information or documents necessary to complete the approval process. Where the Market has requested additional information or documents, the assessment period provided for in Rule 1.8(b) shall be interrupted until such time as the Market receives to its satisfaction the requested information and documentation.
- (d) The Market shall inform:
  - (i) the Applicant of its decision to provisionally approve or refuse an application within one (1) week of its decision; and
  - (ii) the Authority of its decision to provisionally approve or refuse an application within one (1) Business Days of its decision.

- (e) A provisional approval by the Market for listing and admission is not considered final until such time that the requirements of Rule 1.9(b) are satisfied. Upon the decision becoming final in accordance with Rule 1.9(b), the Market shall inform the Applicant of its final approval to list.

## **1.9 Market approval**

- (a) A Security shall not be listed on the Market and not be capable of being traded on the Market unless:
  - (i) the Issuer of the Security has obtained a final approval from the Market for such listing; and
  - (ii) such approval remains valid and subsequent listing fees, where required, have been paid in accordance with Rule 1.17.
- (b) An approval by the Market for listing shall not be considered final for the purposes of Rule 1.9(a) unless the Authority approves the registration of the relevant Securities in accordance with its procedures.

## **1.10 Publication and disclosure obligations**

- (a) An Issuer shall comply with the relevant publication and reporting requirements set out in the following Parts:
  - (i) Part 2: Share, excluding Shares issued in accordance with Part 7; and
  - (ii) Part 3: Depository Receipts; and
  - (iii) Part 4: Debt Securities and Sukuk; and
  - (iv) Part 5: Units; and
  - (v) Part 6: Covered Warrants; and
  - (vi) Part 7: Shares and Warrants issued by a SPAC; and
  - (vii) Part 8: Shares issued by a Cooperative Association.
- (b) An Issuer shall provide information and reports to the Market as specified in these Listing Rules immediately following the occurrence of the event to which the information or report relates, save for where an alternative timeframe is stipulated.
- (c) The financial statements of an Issuer shall be prepared in accordance with the international accounting standards accepted by the Authority.
- (d) In addition to the information and reports required pursuant to Rule 1.10(a), an Issuer shall provide to the Market any periodic or non-periodic financial details or any other information that the Market may request.
- (e) An Issuer is responsible for ensuring that all information and reports provided to the Market are:
  - (i) true, accurate and complete and comply with all Applicable Law; and
  - (ii) are in Arabic, unless the Market directs or permits otherwise; and

- (iii) do not include any promotional content; and
  - (iv) are signed by the chairman (or equivalent officeholder) of the Issuer or a member of the Issuer's Senior Management authorised by such officeholder of the Applicant.
- (f) The Market may request an Issuer to provide information and reports through the electronic systems determined by the Market.
- (g) The Market may charge a fee for an Issuer's use of its electronic systems.
- (h) The Market shall publish information and reports received from an Issuer through the channels stipulated by it from time to time.
- (i) The Market makes no warranty, express or implied, and shall have no liability to any person in respect of, or in connection with the following:
  - (i) the originality, accuracy, timeliness or completeness of any information or reports published; or
  - (ii) any errors, omissions or delays in disseminating any information or reports received from Issuers.
- (j) An Issuer shall publish information and reports on its own website in accordance with the Market's requirements.
- (k) An Issuer whose application to list is approved shall, ten (10) days before the date of listing, publish in two daily newspapers in circulation in the State (one in Arabic, one in English), an announcement of the listing, along with a summary of the report of the board of directors (or equivalent) approving the listing.
- (l) An Issuer whose application to list has been approved, before the date of listing, shall:
  - (i) designate one of its staff as a point of contact with the Market, ensuring that such individual has the authority to respond to all queries posed by the Market in relation to its publication and disclosure obligations; and
  - (ii) provide the Market with the contact details of the individual, including the name, email address, title and direct telephone number; and
  - (iii) notify the Market of the details of a person (if any) in charge of the Issuer's public relations and press releases, providing the Market with a copy of the official authorization by the Issuer to that person.
- (m) An Issuer shall immediately notify the Market of any change to the information specified in paragraph (k) of this Rule.

### **1.11 Insider Information and Insiders**

- (a) An Issuer shall:
  - (i) before the date of listing of the Issuer on the Market and at least once per calendar year thereafter, provide the Market with an up-to-date list of each of its Insiders, including:
    - (A) the name and investor number of the Insider and reason of inclusion in the list; and

- (B) the date on which the list is drawn up; and
  - (ii) immediately upon any change occurring to the contents of the list of Insiders, provide the Market with an up-to-date list of each of its Insiders, including the information specified in subparagraph (i); and
  - (iii) before any of the individuals listed in paragraph (a)(i) executes a trade in Securities of the Issuer (or Securities of any entity in the Issuer's Group), ensure that such individual notifies the Market in writing of:
    - (A) the name of the person wishing to trade; and
    - (B) the type of trading intended (for example, selling or purchasing); and
    - (C) the proposed date of trading; and
    - (D) the quantity of Securities proposed to be traded; and
  - (iv) ensure that an individual included in a list required by paragraph (a)(i) must not submit an order to trade in Securities before it has obtained the approval of the Market.
- (b) Subject to paragraph (d), an Issuer must:
- (i) ensure that the Inside Information is published in a manner that enables the complete, correct and timely assessment of the information by the public; and
  - (ii) not combine the disclosure of Inside Information to the public with the marketing of its activities.
- (c) Subject to paragraph (d), where an Issuer or a person acting on its behalf discloses any Inside Information to a third party in the normal course of the exercise of an employment, profession or duties, it must make complete and effective public disclosure of that information (simultaneously in the case of an intentional disclosure, and promptly in the case of a non-intentional disclosure). This paragraph shall not apply if the person receiving the information owes a duty of confidentiality.
- (d) An Issuer may delay disclosure to the public of Inside Information, provided that each of the following conditions is met:
- (i) immediate disclosure is likely to prejudice the legitimate interests of the Issuer in one or more of the following circumstances:
    - (A) the Issuer is conducting ongoing negotiations, and their outcome would be likely to be jeopardised by public disclosure; and
    - (B) the financial viability of the Issuer is in grave and imminent danger (except where disclosure is required by insolvency provisions of Applicable Law) and public disclosure of the information would seriously jeopardise the interest of existing and potential shareholders, by undermining the conclusion of specific negotiations designed to ensure the long-term financial recovery of the Issuer; and
    - (C) decisions have been taken or contracts entered into by Senior Management or other persons in the Issuer, where (1) such decision or entry requires the approval of the Issuer to become effective, (2) public disclosure of the

information before the approval would jeopardise the correct assessment of the information by the public and (3) the Issuer has arranged for a definitive decision to be taken as soon as possible; and

- (D) the Issuer has developed a product, or an invention and the immediate public disclosure of that information is likely to jeopardise the intellectual property rights of the Issuer; and
  - (E) the Issuer is planning to buy or sell a major holding in another entity and the disclosure of such information would likely jeopardise the implementation of such plan; and
  - (F) a transaction previously announced is subject to a competent authority's approval, and such approval is conditional upon additional requirements, where the immediate disclosure of those requirements will likely affect the ability for the Issuer to meet them and therefore prevent the final success of the transaction; and
  - (G) any other circumstances specified by the Market for this purpose; and
- (ii) the delay of the disclosure is not likely to mislead the public; and
  - (iii) the Issuer ensures the confidentiality of that information before its disclosure to the public; and
  - (iv) the Issuer immediately informs the Market of the decision to delay disclosure and provides it with an explanation for the delay and, in coordination with the Market, discloses the information as soon as the relevant circumstances specified in paragraph (i) no longer apply or, if earlier, at the time directed by the Market; and
  - (v) acts in accordance with any additional requirements imposed by the Authority.
- (e) An Issuer must take all reasonable steps to ensure that each Insider acknowledges in writing the legal and regulatory duties relating to Inside Information and is aware of the sanctions applicable to insider dealing.
  - (f) The Issuer shall notify the Market of the dates of any press conference the Issuer plans to hold in order to disclose Inside Information, at least two (2) working days before the press conference. If a press conference coincides with a Trading Session, the Market shall suspend trading in the Issuer's shares from the time the press conference commences until the Issuer submits to the Market a summary of the press conference's outcomes or such other time as the Market directs.

## **1.12 Suspensions of trading**

- (a) In addition to the circumstances specified elsewhere in these Listing Rules, the Market may suspend the trading in an Issuer's Securities where it considers any of the following to apply:
  - (i) in exceptional circumstances or where normal market operations are threatened, or where trading in the Securities is not in the public interest, is inequitable or violates the rights of Security holders; or
  - (ii) where the Issuer has Securities listed on a Foreign Market and:
    - (A) their trading has been suspended outside the ordinary course of business, or the Securities have been delisted from a Foreign Market; or

- (B) the Issuer is in breach of any of its obligations under Applicable Law, including the applicable rules and regulations of the Foreign Market; or
  - (iii) if a resolution is passed to:
    - (A) sell all or most of the Issuer's assets; or
    - (B) reduce its share capital; or
  - (iv) the Issuer is unable to assess accurately its financial position and inform the market; accordingly, or
  - (v) there is insufficient information in the Market about a proposed transaction that may affect the price of a Security; or
  - (vi) if the Issuer resolves, in accordance with its Constitutional Documents and Applicable Law, to suspend the trading of its Securities.
- (b) Trading in a Security is suspended in the following circumstances:
- (i) if the board of directors' meeting coincides with a Trading Session, trading in the Security is suspended from the time of the meeting until the results and resolutions of the meeting are disclosed; and
  - (ii) if the general assembly meeting coincides with a Trading Session, trading in the Security is suspended from the time of the meeting until the results and resolutions of the meeting are disclosed; and
  - (iii) if the press release on financial results or preliminary financial statements of an Issuer is received during the Trading Session, necessary measures are taken to suspend trading of the Issuer's Securities for a maximum of 30 minutes until the results are announced; and
  - (iv) trading of the Issuer's Securities is suspended if the Market receives, during the Trading Session, information related to material developments affecting the Issuer that should be disclosed immediately; trading is resumed after such information is disclosed; and
  - (v) if a press conference coincides with a Trading session, trading in the Issuer's Securities is suspended from the time the press conference commences and until the Issuer submits to the Market a summary of the press conference's outcomes.
- (c) An Issuer that has any of its Securities suspended from trading shall continue to comply with all Listing Rules applicable to it.

### **1.13 Delisting of Securities**

- (a) The Market may delist any Security if:
  - (i) the Issuer is in breach of any of its obligations under these Listing Rules; or
  - (ii) where the Issuer has Securities listed on a Foreign Market and:
    - (A) that listing or trading has been suspended, or the Securities have been delisted from that Foreign Market; or

- (B) the Issuer is in breach of any of its obligations under Applicable Law, including the applicable rules and regulations of the Foreign Market; or
- (iii) suspension of trading in the Issuer's Securities has lasted for six (6) months or more; or
- (iv) the Issuer has merged with or been taken over by another entity; or
- (v) the Issuer has ceased to carry out its activities; or
- (vi) the legal form of the Issuer has changed; or
- (vii) if a resolution is passed to:
  - (A) sell all or most of the Issuer's assets; or
  - (B) reduce its share capital; or
- (viii) if the Issuer fails to pay the fees due to the Market; or
- (ix) the Issuer has resolved, in accordance with its Constitutional Documents and the terms of the relevant Securities, to delist those Securities and provides a proposed mechanism for transferring the ownership of its Securities after delisting.

#### **1.14 Requests to suspend or delist**

- (a) A written request by an Issuer to have its Securities delisted shall be made in good time before the delisting is expected to take effect. The Issuer should notify the Market of such a request in advance so that the Market can establish a proper timeframe for the delisting.
- (b) A written request by an Issuer to have the trading of its Securities suspended should be made as soon as practicable. Requests for suspension before the opening of the Market must allow sufficient time for the Market to deal with the request before trading starts.

#### **1.15 Restoring listing and trading**

- (a) An Issuer that has its Securities delisted may only have them restored by reapplying for their listing in accordance with these Listing Rules.
- (b) The Market may restore the trading of any Securities that have been suspended from trading if it considers that the suspension is no longer in the public interest.
- (c) The Market may restore the trading in circumstances where the Issuer does not request it.
- (d) An Issuer that has any of its Securities suspended from trading may make a request to the Market to have trading restored. The request should be made sufficiently in advance of the time and date that the Issuer wishes trading to be restored. Requests for restorations before the Market opens should allow sufficient time for the Market to deal with the request.
- (e) The Market shall refuse a request to restore to trading any Securities if it is not satisfied that to do so would be in the public interest.
- (f) The Market may impose such conditions on the procedures for restoring to trading as it considers appropriate.

### **1.16 Fees**

- (a) Before the Market may approve an application to list, the Applicant shall pay the listing fees set out in the notice of fees published on the Market's website.
- (b) The Applicant shall pay subsequent listing fees in advance for each year or part thereof in which its Securities are listed on the Market.
- (c) For the purposes of calculating the listing fees:
  - (i) for the initial listing fee, a fee is payable for a term that starts on the date when the Market approves the listing until the end of December of the same year – in this case, the fees shall be prorated on the basis of the remaining period of the year, provided that a fraction of a month shall be deemed to be a full month; and
  - (ii) for subsequent listing fees, a fee is payable for a term that is one (1) year ending at the end of December of each year.

### **1.17 Listing in Foreign Markets**

- (a) An Issuer shall not admit Securities listed on the Market for listing on a Foreign Market without the prior approval of the Market.
- (b) An application for approval shall be in the form specified by the Market and shall include such information and be accompanied by such documents as the Market may require.
- (c) The Market may impose different requirements and may vary or waive the requirements in these Listing Rules in particular cases.
- (d) The application shall be signed by the chairman (or equivalent officeholder) of the Applicant, or a member of the Issuer's Senior Management authorized by such officeholder of the Applicant.
- (e) Subject to Rule 1.17(c), the Issuer shall ensure that each of the following requirements is satisfied:
  - (i) the Market has no objection to listing in the Foreign Market;
  - (ii) no more than 30% (or such other percentage as the Market considers suitable) of the total listed Securities of the same type of Securities traded on the Market are listed on a Foreign Market;
  - (iii) it provides along with its application a technical study including information on the Securities to be listed on the Foreign Market, the purpose of listing in the Foreign Market, the relevant listing requirements and advantages of listing, and applicable listing requirements and continuing obligations of the Issuer as a consequence of listing the Securities on the Foreign Market;
  - (iv) the depositary in the Foreign Market has signed an agreement with the CSD and the CCP to organize the transfer of securities between the Market and the Foreign Market;
  - (v) it undertakes to provide the Market with:
    - (A) all disclosures made to the Foreign Market; and

- (B) notification of any finding by the Foreign Market of a contravention of Applicable Law, including the rules and regulations of the Foreign Market; and
  - (C) notification of any action taken by the Foreign Market to suspend, delist or restore the trading or listing of Securities on the Foreign Market or any other remedial action; and
  - (D) notification of any other information or significant events or anything else relating to the listing on the Foreign Market or the value of the Securities, of which the Market would reasonably expect to be notified.
- (vi) an undertaking to comply with its obligations under Applicable Law, including the rules of the Foreign Market; and
  - (vii) any other documents or data required by the market.
- (f) The Market shall approve or refuse the application within thirty (30) days of receiving the application.
  - (g) The Market shall inform the Authority of its decision to approve or refuse an application within five (5) Business Days of its decision.
  - (h) An Issuer whose application is approved shall continue to ensure that each of the obligations in this section are complied with at all times following the Market's approval.

### **1.18 Listing Advisor**

- (a) Three (3) months before the expiry of the one-year or other term of a Listing Advisor appointed in accordance with these Listing Rules, a relevant Issuer must consult with the Market as to the extension of the term.
- (b) The Market may direct the Issuer to extend the term or take other action that it deems appropriate in relation to the appointment of a Listing Advisor.

## **2. SHARES**

### **2.1 Local Company: listing conditions**

- (a) A Local Company that intends to list its Shares on the Main Market shall comply with the following requirements:
  - (i) the Local Company must be a Public Joint Stock Company that has resolved to list its Shares on the Market, acting in accordance with its Constitutional Documents; and
  - (ii) the Local Company and the Shares must comply with the provisions of the Companies Law; and
  - (iii) the Shares must not be subject to any restrictions on transfer, other than restrictions that are permitted to apply to such Shares under Applicable Law.

### **2.2 Local Company: application**

- (a) A Local Company that intends to list its Shares on the Market shall submit its application for listing to the Market, including the following information and documentation:

- (i) its Constitutional Documents; and
- (ii) a copy of its commercial registration issued by the competent authority and each financial and other licence issued to the Local Company by the Authority and each other competent authority; and
- (iii) a copy of the requisite resolutions of the Local Company authorising the listing of the Shares; and
- (iv) evidence of payment of the fees due to the Market for its review of the application; and
- (v) an overview of the Local Company's activities (including its key achievements and important milestones to date) and a description of its relationship with each other entity in the Local Company's Group; and
- (vi) a description of the Local Company's previously listed Securities (if any) and of the Shares that it intends to list; and
- (vii) the proportion of the Shares held directly or indirectly by persons that are not citizens of the State; and
- (viii) names and holdings, whether direct or indirect, of each person (and group of Associated Persons) holding 5% or more of the Local Company's share capital; and
- (ix) names of the members of the Local Company's board of directors and Senior Management and in respect of each:
  - (A) details of any Securities issued by the Local Company or any member of the Local Company's Group held by them and their Associated Persons; and
  - (B) details of any membership of the board of directors or equivalent body of any company or other entity; and
- (x) the Local Company's report for each of the two financial years preceding the Application Date (if any), including the report of the board of directors, the audited financial statements of the Local Company, its auditor's report, and the minutes of the meeting of the general assembly that approved them; and
- (xi) the Local Company's reviewed interim financial statements (covering the period from the end of the financial year preceding the Application Date until the end of the last quarter preceding that date); and
- (xii) an undertaking to comply with the Market's rules governing listing, trading and disclosure, in the prescribed form issued by the Market; and
- (xiii) the Prospectus; and
- (xiv) if the Local Company's Shares are listed on a Foreign Market and where required by that Foreign Market, the approval of that Foreign Market; and
- (xv) any other information or documents as the Market may deem necessary to review, assess and approve the listing application.

## **2.3 Local Company: Increase of share capital**

- (a) A Local Company shall notify the Market immediately following any resolution of the Local Company to increase or modify its share capital through the issuance of new Shares, the conversion of Debt Securities or Sukuk into Shares, or a merger with or acquisition of another company.
- (b) A Local Company shall provide the Market with the following information and documentation at least twenty (20) Business Days prior to the proposed subscription date for the new issuance or modification:
  - (i) a copy of the Authority's approval of the Local Company's increase or modification of share capital; and
  - (ii) a copy of the resolution of the Local Company made in accordance with its Constitutional Documents to increase or modify its share capital; and

- (c) The Market shall list the Shares following the conclusion of the period specified by the Issuer for subscription in those Shares, following distribution of the issued Shares to subscribers and the conclusion of the Market's listing processes.

## **2.4 Local Company: Priority Rights**

- (a) A Local Company shall provide the Market with the following information at least twenty (20) Business Days prior to the proposed subscription date for the issuance of Priority Rights:
  - (i) the date for listing of any Priority Rights as stated in the shareholder announcement relating to the issuance of those rights; and
  - (ii) the start and end dates of the period for the trading of Priority Rights, being no less than ten (10) Business Days and the end date being no less than five (5) Business Days prior to the proposed subscription date for the issuance of the Shares related to the capital increase.
- (b) The Market shall list the Priority Rights on the date specified in the terms relating to the Priority Rights and make the Priority Rights available for trading for the duration of the trading period specified in Rule 2.4(a)(ii).
- (c) The Market shall cease trading of Priority Rights at the conclusion of the trading period specified in Rule 2.4(a)(ii) and the listing of the Priority Rights shall be cancelled.

## **2.5 Local Company: corporate actions**

- (a) A Local Company shall notify the Market immediately following any resolution of the Local Company made in accordance with its Constitutional Documents to undertake a corporate action that will cause the issuance of new Shares for listing.

- (b) The Market shall list the Shares following distribution of the issued Shares to subscribers and the conclusion of the Market's listing processes and otherwise act in accordance with the relevant procedures.

## **2.6 Local Company: disclosure and reporting requirements**

- (a) A Local Company shall provide the Market the following information and reports immediately (unless another timeframe is specified below):
  - (i) any information, decision or event that might be expected to have a material effect on the value of the Local Company's Shares, including any Substantial Liability and Loss; and
  - (ii) any change to the structure of the Local Company's capital; and
  - (iii) any material change to the Local Company's main activities and any material joint ventures into which it enters;
  - (iv) any issuance or offering of Securities by the Local Company, as well as any guarantee or warranty that relates to a new issuance; and
  - (v) any buy-back or redemption of listed Shares including details of the number of Shares redeemed and the number of Shares outstanding following the redemption; and
  - (vi) the agenda and date of each of the Local Company's general assembly meetings, at least fifteen (15) days before the meeting date; and
  - (vii) the decisions made by a Local Company at its general assembly meetings other than those resolutions concerning ordinary business passed at an annual general meeting; and
  - (viii) the agenda and date of each of the Local Company's board of directors' meetings in which any matters affecting the Local Company's share price will be discussed, at least two (2) Business Days before the meeting date; and
  - (ix) the decision made by a Local Company in its board of directors' meetings notified in Rule 2.6(a)(viii); and
  - (x) any amendment to the Local Company's Constitutional Documents approved by the shareholders of the Local Company; and
  - (xi) any change to the Local Company's board of directors or Senior Management; and
  - (xii) financial information of the Local Company, as follows:
    - (A) interim (unaudited but reviewed) quarterly financial statements, within forty-five (45) days from the end of the quarter; and
    - (B) a summary of the preliminary year-end financial statements (unaudited and not reviewed), within forty-five (45) days of the end of the financial year, signed by the board of directors or authorised representative of the Local Company; and
    - (C) the Local Company's report of its board of directors issued each year, including audited year-end financial statements and external auditor's report, within ninety (90) days of the end of its financial year; and

- (D) any additional disclosure reports that the Local Company is obligated to prepare under Applicable Law, including in relation to corporate governance; and
- (xiii) a copy of all correspondence sent by the Local Company to holders of listed Shares; and
- (xiv) any petitions, resolutions or decisions by any authority relating to the Local Company's winding up, liquidation, merger, transformation or analogous proceeding; and
- (xv) the making of any law, regulation, judgment, or order by any court of competent jurisdiction that may materially affect the value of the Local Company's Shares or assets; and
- (xvi) any legal actions brought by or against the Local Company that have the potential to materially affect the financial position of the Local Company; and
- (xvii) major transactions which the Local Company enters into or cancels and whose value constitutes (A) 5% or more of the Local Company's assets, or (B) AED (10) million, whichever is less; and
- (xviii) any material interest that any member of the board of directors or Senior Management has in the Local Company, including transactions concluded with the Local Company (but excluding personal service contracts); and
- (xix) the appointment or dismissal of the Local Company's external auditor; and
- (xx) a copy of any report by its external auditor including any material information relating to its financial statements, its performance, and reservations (if any) on the statements; and

- (xxii) any material amendments to information previously submitted to the Market as part of the listing application; and
- (xxiii) any other information or details as may be requested by the Market and deemed necessary within the time period specified in such request.

## **2.7 Local Company: suspension and delisting**

- (a) The Market may suspend the trading in Shares of a Local Company where it considers any of the following to apply:
  - (i) if the Local Company has breached any of its obligations under these Listing Rules or any other applicable Market rules; or
  - (ii) if the Local Company fails to pay the fees due to the Market; or
  - (iii) if the net shareholder equity in the Local Company falls to less than fifty percent (50%) of its paid-up capital; or
  - (iv) if the market capitalisation of the Local Company falls to less than sixty percent (60%) of the nominal value of the listed Shares of the Local Company; or
  - (v) if the Local Company has resolved to sell fifty percent (50%) or more of its assets; or

- (vi) if the Local Company has ceased to carry out its main activity; or
  - (vii) if a fundamental change to the nature of the Local Company's main activity has occurred that has a material negative effect on the continuation of the Local Company's listing or the trading of its Shares; or
  - (viii) if the Local Company, acting in accordance with its Constitutional Documents, submits a reasonably justified request to suspend trading in its Shares, including the period of suspension and (where applicable) the proposed mechanism for transferring ownership of its Shares after the suspension of trading; or
  - (ix) if the Market requests information that requires disclosure by the Local Company before the expiry of a certain period and this period has expired without the Local Company providing the Market with the required information; or
  - (x) where there is an unjustified rise or fall in the Share price that lasts for more than three consecutive Trading Sessions (until such time as the Local Company discloses to the shareholders the material information that has affected the movement of the Shares).
- (b) The Market shall suspend the trading of Shares of a Local Company in the following cases:
- (i) if, during a Trading Session, the Local Company provides the Market with any insufficient disclosures or those inconsistent with Applicable Law (with such suspension to continue until the Market is provided with the required information in accordance with such legislation); or
  - (ii) if, during the Trading Session, the Local Company provides the Market with any material information or data that affects the Share price on the Market, until such information and data are disclosed to shareholders.
- (c) The Market may, after consulting with the Authority, delist the Shares of a Local Company listed on the Market if it fails to rectify its affairs within the period granted to it in clause (2) of article (5) of the Distressed Companies Decision.
- (d) The Market shall delist the Shares of a Local Company in any of the following cases:
- (i) if a decision is taken to dissolve or otherwise liquidate the Local Company or if it is dissolved or liquidated in any other way; or
  - (ii) if the Local Company is merged with another company or companies, such that the Local Company ceases to have legal personality; or
  - (iii) if the Local Company is transformed into another legal form whose capital is not divided into Shares.

## **2.8 Local Company: purchase of shares issued by it: Purchase Conditions**

- (a) These Rules apply to the Local Company listed on the Market.
- (b) Subject to the provisions of the Companies Law, a Local Company may, after the approval of the general assembly, purchase a percentage of the shares issued by it with the intention of selling or disposing of it in any manner, including disposing of such shares by way of transfer of ownership.

- (c) The Local Companies shall provide the following to obtain approval for the purchase of shares issued by it:
- (i) At least two financial years must have elapsed since its incorporation; and
  - (ii) That it has issued two audited financial statements approved by the general assembly of the Local Company; and
  - (iii) At least one full year must have passed since the date of the last sale of shares issued by the Local Company (if any); and
  - (iv) The percentage of shares to be purchased should not exceed (10%) of the issued shares representing the capital; and
  - (v) The Local Company should not have issued any Securities during the six months preceding the submission of the application, with the exception of the capital increase through bonus shares; and
  - (vi) The Local Company shall not increase its capital by issuing new cash shares during the period of the share purchase process; and
  - (vii) The approval of the general assembly by a special decision on the purchase process, provided that the decision of the general assembly includes an authorization to the board of directors to do the following:
    - (A) execute the decision of the general assembly within the period approved by the general assembly for the implementation of the procurement process, provided that it does not exceed a period of one year from the date of approval; and
    - (B) reduce the capital of the Local Company by the amount of the shares purchased if the Local Company does not resell the shares that were purchased within the period specified in these rules and amend the memorandum and articles of association in a manner that reflects this reduction.
  - (viii) That the purchase be financed through the cash surpluses of the Local Company and not through borrowing.
  - (ix) The Market may, in certain cases, impose other requirements, and may change or waive the requirements.

## **2.9 Local Company: purchase of shares issued by it: Purchase Application**

- (a) The Local Company that wishes to purchase the shares issued by it must submit an application to the Market within a period not exceeding three months from the date of issuance of the general assembly's decision, accompanied by the following information and documents:
- (i) the Local Company's submission of the purchase plan approved by the general assembly including the implementation mechanism includes the expected price limits, the names of the Brokers; and

- (ii) the decision of the Local Company's general assembly approving the purchase; and
- (iii) the approval of any regulatory or supervisory authority to which the Local Company is subject to the purchase process, in particular the approval of the UAE Central Bank for companies subject to its regulations, while adhering to any rules or instructions it specifies in this regard; and
- (iv) determine the sources of self-financing for the procurement process; and
- (v) an undertaking from the Local Company to comply with any legislation related to the purchase process, including Market Rules; and
- (vi) any other information or documents that the market deems necessary to review, evaluate and approve the purchase request.

## **2.10 Local Company: Market Approval**

The purchase of the shares issued by the Local Company in the Market shall not take place unless the Local Company obtains the final approval of the Market for the purchase.

## **2.11 Local Company: purchase of shares issued by it: Obligations of the Local Company**

- (a) The Local Company that obtained the approval to purchase the shares issued by it shall comply with the following:
  - (i) Disclosure of the Board of Directors' decision regarding the implementation of the general assembly's decision to purchase the Local Company's shares, provided that the disclosure includes the number of shares that the Local Company intends to purchase and their percentage in the capital.
  - (ii) Disclosure to the Market of the date of commencement of the purchase process, two working days prior to the date of commencement of the purchase.
  - (iii) Execute the purchase process within a period of one year from the date of disclosing the decision of the Board of Directors mentioned in Clause (1) above.
  - (iv) Not executing purchases before fifteen (15) days from the date of disclosing any of its quarterly or annual financial statements or before ten (10) days from the date of disclosing any material information until three (3) days have elapsed since such disclosure.
- (b) In the event that the Local Company purchases its shares for the purpose of selling, the Local Company shall, when selling the purchased shares, comply with the following:
  - (i) Not to carry out any sale of the shares purchased by it while it is carrying out the announced purchase operations.
  - (ii) Not to sell the purchased shares until one year has elapsed from the date of the last purchase.
  - (iii) Selling the purchased shares within a period not exceeding two years from the date of the last purchase, otherwise the purchase process is considered a reduction of the capital of

the local company by the amount of the purchased shares without the need for a decision by the general assembly to do so.

- (iv) Notifying the market of the date of the meeting of the board of directors of the local company, in which it will discuss the issue of the local company selling the shares that have been purchased and notifying the market of the results of the meeting and the decisions taken in this regard.
- (v) Disclosure to the market of the start date of the local company's sale of its shares, two working days prior to the start date of the sale.
- (c) The Market may, in cases where the local company disposes of its purchased shares without the intention of selling, impose other requirements and controls at its discretion.

## **2.12 Local Company: General Obligations**

- (a) None of the subsidiary or holding company or any of the members of the board of directors and their executive managers and or any of the members of the board of directors and executive managers of the local company shall not be a party to the purchase or sale process.
- (b) The Local Company may not issue any new shares or any convertible debt instruments before the completion of the sale or cancellation of the purchased shares.
- (c) The Local Company shall abide by the requirements of disclosure of the purchase and sale operations of the shares issued by it according to the form approved by the Market for this purpose.
- (d) Executing the Local Company's purchase and sale of the shares issued by it in accordance with the trading rules in force in the Market.
- (e) Disclosure to the Market of stopping purchases and the Local Company being satisfied with the purchased shares, with an explanation of the reasons.
- (f) Disclosure to the Market that the Local Company has not executed any transaction after (30) consecutive days have passed during the purchase period, and an explanation of the reasons for that.
- (g) The Local Company may, after clarifying the reasons and after consulting with the Market, change the deadline for disposing of the treasury shares after a special decision is issued by the general assembly of the Local Company

  - (C) a report of any inconsistency existing or arising between the provisions of these Listing Rules and the rules of the relevant Foreign Market on which the SPAC's Shares and Warrants are listed, and any material changes to the Applicable Law in each relevant foreign jurisdiction relating to the listing and trading of Securities; and
- (xxvii) any other information or details as may be requested by the Market and deemed necessary within the time period specified in such request.
- (b) A SPAC shall comply with the Authority's decisions on the governance of the listed Public Joint Stock Companies.

## **7.5 Suspension and delisting**

- (a) The Market may suspend the Trading of the SPAC Shares and Warrants where it considers any of the following to apply:
  - (i) subject to Rule 7.5(f), in exceptional circumstances or where normal operations of the Market are threatened, or where trading in the Shares and Warrants is not in the public interest, is inequitable or violates the rights of the SPAC Investors; or
  - (ii) if the SPAC is in breach of any of its obligations under the Market's Rules; or
  - (iii) if the Market receives instructions from the Authority to suspend trading; or
  - (iv) if the SPAC fails to pay the fees due to the Market; or
  - (v) any petition, resolution or decision relating to the SPAC's winding up, liquidation, merger, transformation or analogous proceeding is made or taken; or
  - (vi) if the SPAC resolves, in accordance with its Constitutional Documents, to suspend the listing of the Shares and Warrants.

- (b) The Market shall immediately inform the Authority of its decision to suspend trading and provide reasons for that decision.
- (c) The Market shall suspend the trading in Shares and Warrants immediately upon a SPAC Failure occurring and shall initiate proceedings to delist of the Shares and Warrants.
- (d) A SPAC that has any of its Shares or Warrants suspended shall continue to comply with all rules applicable to it, including these Listing Rules.
- (e) The Market shall not suspend trading in Shares or Warrants or delist them solely on the grounds of a SPAC having proposed the acquisition of or combination with a Target company and its announcement of such proposal to its shareholders (or any direct consequences arising from such proposal or announcement).
- (f) After obtaining the approval of the Authority, the Market may delist Shares and Warrants if:
  - (i) the SPAC is in breach of any of its obligations under the Market's Rules; or
  - (ii) any petition, resolution or decision relating to the SPAC's winding up, liquidation, merger, transformation or analogous proceeding is made or taken; or
  - (iii) the legal form of the SPAC has changed; or
  - (iv) if the SPAC fails to pay the fees due to the Market; or
  - (v) the SPAC has resolved, in accordance with its Constitutional Documents and the terms of the relevant Shares and Warrants, to delist those Shares and Warrants.
- (g) The Market shall immediately inform the Authority of its decision to delist and provide reasons for that decision.
- (h) The Authority may, after consulting with the Market, delist any Shares or Warrants listed on the Market:
  - (i) in exceptional circumstances or where normal operations of the Market are threatened, or where trading in the Shares and Warrants is not in the public interest, is inequitable or violates the rights of the SPAC Investors; or
  - (ii) if the SPAC fails to pay the fees due to the Authority; or
  - (iii) for any other reason that the Authority deems appropriate.

## **7.6 Post-completion obligations**

- (a) A SPAC shall continue to comply with the requirements set forth in Part 7 until the completion of the SPAC Business Combination. After such completion, the resulting company shall be subject to the same provisions in Part 2 that apply following a listing on the Market.
- (b) In relation to any Warrants that remain unexercised following the SPAC Business Combination, the resulting company shall remain subject to the disclosure, reporting and other continuing obligations contained in Part 7.

- (b) When requested by the Market, a Cooperative Association shall publish explanatory information which relates to its circumstances and activities.

#### **8.4 Suspension and delisting**

- (a) The Market may suspend the trading of Shares in a Cooperative Association where it considers any of the following to apply:
  - (i) if the Market requests information that requires disclosure by the Cooperative Association before the expiry of a certain period and this period has expired without the Cooperative Association providing the Market with the required information; or

- (ii) during a Trading Session, a Cooperative Association provides the Market with any material information that affects the Share value (until such information is disclosed to the shareholders); or
  - (iii) where there is an unjustified rise or fall in the Share price that lasts for more than three consecutive Trading Sessions (until such time as the Cooperative Association discloses to the shareholders the material information that has affected the movement of the Shares); or
  - (iv) if the Cooperative Association adopts a resolution to amend its capital, where required to do so by Market Procedures; or
  - (v) if the Cooperative Association has breached any of these Listing Rules or Applicable Law; or
  - (vi) if the Cooperative Association has failed to pay the fees due in accordance with Applicable Law; or
  - (vii) if the Cooperative Association has ceased to carry out its main activity; or
  - (viii) if a fundamental change to the nature of the Cooperative Association's main activity has occurred that has a material negative effect on the continuation of its listing or the trading of its Shares; or
  - (ix) if the net value of the shareholders' equity in the Cooperative Association falls below (50%) of its paid-up capital; or
  - (x) if the Cooperative Association's general assembly resolves to sell (50%) or more of its assets; or
  - (xi) if the market value of the Shares falls below its nominal value; or
  - (xii) if the Cooperative Association resolves, acting in accordance with its Constitutional Documents, to suspend the trading in the Shares and specifies the period of suspension and (if applicable) the proposed mechanism for transferring ownership after trading has ceased; or
- (b) The Market shall suspend the trading of Shares of a Cooperative Association in the following cases:
- (i) if, during a Trading Session, the Cooperative Association provides the Market with any insufficient disclosures or those inconsistent with Applicable Law (with such suspension to continue until the Market is provided with the required information in accordance with such legislation); or
  - (ii) if, during a Trading Session, the Cooperative Association provides the Market with any material information or data that affects the Share price on the Market, until such information and data are disclosed to shareholders.
- (c) The Market may, upon the approval of the Ministry and the Authority, delist Shares in a Cooperative Association in any of the following cases:
- (i) if a suspension from trading continues for six (6) months or more; or

- (ii) if the Cooperative Association resolves, acting in accordance with its Constitutional Documents, to delist the Shares, including the proposed mechanism for transferring ownership after trading has ceased; or
  - (iii) in the event of any material change to the Cooperative Association's main activities; or
  - (iv) the listing is not in the public interest, is inequitable or violates the rights of investors.
- (d) The Market shall delist the Cooperative Association Shares in any of the following cases:
  - (i) if a decision is taken to dissolve or otherwise liquidate the Cooperative Association; or
  - (ii) if Cooperative Association is merged with another company or companies, such that it ceases to have legal personality; or
  - (iii) if the Cooperative Association is transformed into another legal form; or
  - (iv) if the Cooperative Association ceases to perform its activities.
