

2026 RSS Eligible Securities

Classification: Document

Type: Report

Title: RSS Eligible Securities

Owner: Market Control Dept.

Date: April 2026

Pages: 5

Version: Ongoing updates

A security will be considered for RSS activities based on the following criteria:

1. Securities included in any UAE Index issued by Market or rating agencies will be eligible for Regulated Short Selling (RSS) and shall be removed on the effective date of its exclusion if the Market or rating agencies undertake such an action.
2. Securities which are part of a DFM derivative program will be eligible for RSS.
3. All ETFs are eligible for RSS immediately upon listing.
4. Securities listed on the market and meet all the following criteria will be eligible for RSS activities:
 1. Securities with market capitalization of not less than AED 1 billion.
 2. Securities with value traded not less than AED 200 million throughout the evaluation period.
 3. Securities with number of transactions not less than 150 transactions throughout the evaluation period.
 4. Securities traded on 50% of the total trade days throughout the evaluation period.
 5. Securities with the number of free float shares available for trading not less than 25% of the total number of company's shares listed.
 6. The exchange may exempt any security from meeting any of the above-mentioned requirements.
5. Right issues and covered warrants are not eligible for short selling.
6. Availability of at least 5 percentage points of the ownership limit allowed for foreign investors.
7. The list of eligible securities will be reviewed every 3 calendar months or if there is a index review by the rating agency.

Market will publish the updated "Eligible Securities List" after the periodic review unless otherwise necessary or determined by the Exchange.

Previously eligible RSS securities will have ceased to be eligible for RSS on the next trading day after notification by DFM.

Securities Lending & Borrowing (SLB) transactions for these securities may remain outstanding.
